2021

			1 Walk to the store instead of driving	2 Save someone a trip to the store by offering to do their shopping while you are doing your own	3 Plant a maple key or oak tree acorn	4 Cook vegetarian perhaps with some Moroccan spices or coconut powder
5 Put on a sweater and turn the thermostat down 2 degrees	6 When you use the kettle, save the water to wash your face with	7 Find ways to shorten your shower to save water but still be clean	8 Use your bike instead of your car or research the bike you want to buy if you don't have one	9 Research electric vehicles, encourage someone who is buying a vehicle to buy electric	10 Plan a vacation by researching electric charging stations along the route	11 Plan a vacation via boat or train
12 Attend the Climate Lunch and Learn after church – email targetclimatechange@gmail.com for the link	13 When making dinner choose the food that will go bad soon first – don't waste food	14 Buy vintage!	15 Mark a place outside where you will plant an evergreen tree next spring (north side of house is best and apartment dwellers - you could start one on your balcony and give it to a friend who can grow it)	16 Save your change for the week and donate it to a climate charity	17 Join a climate active group	18 Write your MP or MPP to encourage them to advocate for the environment
19 Research funding in your area for climate action	20 Fill any gaps in your home where air is leaking	21 Learn about and grieve the passing of the coral reef	22 Tell a friend of the cool things that you can do for climate justice	23 Go on www.drawdown.org and choose a couple of things you can do to change the climate crisis	24 Research the UN Sustainable Goals and choose your favourite!
