[Canada wide actions](#)

[The World at Large and challenges & changes](#)

Each week Carrie Tai sends a series of emails with quick headlines that can then be opened for full information on those that interest you.

Just visit the web-site and sign-up to begin the service (if it does not work for you, you can always cancel!)

Here are some examples from last week

Aug 22, 6:30-8:30pm: Revolution at Humber College

Updated: Jul 30

["After four years and fifteen countries, acclaimed Canadian filmmaker Rob Stewart brings us on an adventure 3.5 billion years in the making. Revolution is an ambitious and optimistic adventure in the evolution of life on earth to the revolution that all ages from across continents are engaged in to save our planet."](#)

Oct 5, 2019 - Targeting Climate Change meeting in Richmond Hill

Meeting to mobilize the community on action on the climate crisis. Registration details TBA.

Petitions

Use the law to fight the Trans Mountain pipeline project.

"Ecojustice is back in court to challenge the federal government's unlawful decision to re-approve the Trans Mountain pipeline project. And we're counting on your support."

CBC: It's time to host a Federal Climate Debate

"The public conversation around the climate crisis is distorted and confusing. Politicians will say one thing and do another - like approve a dirty oil pipeline right after declaring a national climate emergency."

Let's pass the Plastic Pollution Reduction Act!

"The California Circular Economy and Plastic Pollution Reduction Act is the most ambitious legislation introduced in the US to slash plastic pollution. It phases out nonrecyclable single-use plastics, reduces demand for 'virgin' plastic, creates green jobs... and provides a model for other states

PM: Deliver immediate mercury justice for Grassy Narrows people

" Prime Minister Trudeau, You have said that Canada's relationship with First Nations is your highest priority and that you will act for a healthy environment. How can I believe you when mercury survivors in Grassy Narrows continue to suffer
