

This is an exhilarating time for Richmond Hill United Church.

Over the past two years, members of the congregation have gathered at Generous Spirit Breakfasts and Dream Team meetings. We've talked about how Richmond Hill United Church has enriched our lives, and how we want to grow our ministry. In the coming months, we will be articulating our Mission, identifying Action Goals for the coming year; evaluating options for our property; and starting the process of succession for our retiring ministers in 2016.

In our Season of Generous Spirit, our community of faith comes together to ensure that our time, talent, and treasure will steward the ministry of Richmond Hill United Church into this exciting future.
